I managed to pull the RJ45 plug off the end of one of my cam

thanks for sharing this Kieran as you've saved me a lot of has

However, after following your wiring colours above as I still co

wrongly assumed that carried on. Finally figured out the next

here is Kieran's list in the standard T568B ordering from pins

Hikvision - T568B

Orange ----- Orange / White

Yellow ------ Orange

Green ------ Green / White

Grey -------- Blue

Purple ------ Blue / White

Blue -------- Green

Brown ------ Brown / White

White ------- Brown

I did mine slightly differently and put a standard RJ45 plug on

below.
